The Juneau Chapter was represented by 18 delegates in the last biennial convention in 2006. The final calculation of the number of 2008 delegates which Juneau is entitled to will not be completed until November 15, 2007. Therefore the number of elected primary delegates from the slate of candidates cannot be determined until the final calculation is made available by ASEA Local 52 Headquarters.

The Juneau Chapter has tentatively elected 18 primary delegates (the top 18 vote getters) and 5 alternate delegates in the order of the number of votes received. Sandra Johnston and Justine Bishop both received 26 votes for the 18th primary spot. If necessary, there will be a runoff election at the November 27 monthly Chapter meeting to determine the last primary position.

Respectfully submitted,
